

# #WeAreOneHK 21-25 March 2022

## Racial Awareness Week

21 March is the International Day for the Elimination of Racial Discrimination

## The Zubin Foundation can help you.

### Customised Staff Training

*Virtual or In-Person*

We can customise sessions to train your staff about Hong Kong's ethnic minorities, their history and challenges. The training will strengthen understanding of how racism manifests in classrooms and how it affects children. Your staff will learn to address race and racism with students, and gain strategies to support a school-wide culture of respect, equity, and inclusivity. [Contact us >>](#)

### Listen and Learn: Calling Out Racism

*How Racism Affects Children and Schools*

On 21 March, invite your students (14-18 yr) /parents/staff to join our free webinar to hear about what racism may look like in Hong Kong and how to manage it. Our diverse panel students, parents with a moderator, sharing their experiences with you.

[Registration opens soon.](#)

## Design the Next Zubin Cracker!

### Inclusive Design Contest: Calling for Student Submissions

*Categories: 5 - 8 yr and 9 - 13 yr*

Children aged 5 to 13 are invited to create a winning design for the next Zubin Cracker. This is your chance to have your art on thousands of individual Zubin Crackers, your profile made public and to contribute to Hong Kong's ethnic minorities at the same time.

**Contest opens 21 March. Submit your entries by 31 March. Get cracking!**

Great prizes for the winner and runner up in each category (5 - 8 yr and 9 - 13 yr). To learn about the theme, judges, terms and conditions and more information, [click here >>](#)

## Be part of the solution.

### #WeAreOneHK

a Hong Kong campaign to celebrate racial diversity, equity and inclusion in Hong Kong.

### The Institute of Racial Equality in Hong Kong

an initiative of The Zubin Foundation (registered charity IR 91/12344) to raise awareness of racial equality in Hong Kong and to support organisations to understand and integrate racial equality throughout their operations.
